Leading with Love in Denver Metro since 1980

PFLAG is an organization working to create a caring, just, and affirming world for LGBTQ+ people and those who love them. For over 44 years, PFLAG Denver has proudly carried this mission forward. We support families, educate allies, and advocate for policies that empower our community. This work is entirely made possible by the generous donations and **ACTIVE ALLYSHIP** of many.

When you partner with PFLAG Denver, you convert well-meaning intention into life-changing action. Your partnership provides critical funding relief to our operational and programming demands, which enables our organization to instead focus on the important relationships and issues that affect our community. What's more, your support signals to your clients, community, and staff that you are an intentionally-built space that reveres diversity, equity, and inclusion. Together, we make our community more connected, more affirming, and more equitable for all.

2024 Community Partnerships

Community Care is the literal heart and soul of PFLAG Denver

PFLAG Denver's Community Partners are an integral piece to carrying out our mission. It has been our community's continuous stream of contributions, large and small, tangible and intangible, that has carried our work forward for over 44 years. You hold space for our organization, host events, hold fundraisers, donate goods, and "share the mic" to help get our word out. We simply could not do our work without your collective support.

Let's Ally TOGETHER. Here's How:

- ▶▶ Host a Fundraiser
- ▶▶ Donate Proceeds
- ▶▶ Donate Space for Events
- ▶▶ Provide Donations In Kind
- ▶▶ Provide Professional Expertise
- ▶▶ Display Rack Cards

In partnership, PFLAG Denver will support and champion YOU as an Active Ally. Your organization will be listed as a Community Partner on all media channels for any contribution equal to or exceeding \$250 value and we will provide a receipt for services for your tax purposes.
